

## A e U

Asia e University is a dual-mode international university established in 2007 under the Asia Cooperation Dialogue (ACD) with the support of 31 ACD member countries, including Malaysia, as a prime mover for e-Education.

Asia e University established in 2007 has grown steadily to offer postgraduate, undergraduate and executive programs, both locally and internationally. It has ventured into several countries within the ACD especially in India, Indonesia and the Middle East, and beyond especially into Africa.
